Skills

- **Languages**: C++, Python, C, Java
- **Frameworks**: Pandas, NumPy, Matplotlib, Scikit-Learn
- **Tools/Platforms**: VS Code, Jupyter Notebook, MySQL, Git & GitHub, Google Colab, Power BI, Excel
- **Soft Skills**: Problem Solving, Adaptability, Teamwork, Communication

Projects

- **Citywide Payroll Data Analysis | Power BI Project** | Link — Oct' 25 – Nov' 25
  - Analyzed citywide payroll data to understand employee compensation patterns across departments and job titles.
  - Built interactive Power BI dashboards displaying total payroll cost, base pay, overtime pay, and other compensation components.
  - Used filters and slicers to enable dynamic analysis by fiscal year, agency, and pay type.

  Tools: Microsoft Power BI, Excel, CSV Dataset
- **AI-Powered Skin Health Chatbot** | GitHub — Mar' 25 – Jun' 25
  - Built an AI-based dermatology chatbot using Streamlit and Google Gemini API to provide evidence-based skincare advice.
  - Applied prompt engineering to generate structured, clinically relevant, and concise AI responses
  - Integrated secure API handling using environment variables and optimized model parameters for reliability.

  Tech Stack: Python, Streamlit, Google Gemini API
- **COVID-19 Vaccination Impact Analysis** | GitHub — Mar' 25 – Jun' 25
  - Analyzed global COVID-19 vaccination data to assess its impact on cases and mortality.
  - Built dashboards and correlation plots linking vaccination progress with reduced infection severity.
  - Performed time-series analysis to identify vaccination trends and lag effects across regions.

  Tech Stack: Python, Pandas, NumPy, Matplotlib, Seaborn

Training

- **Cipher Schools – Data Structure And Algorithms**| Certificate — Jun' 25 – Jul' 25
  - Completed an intensive DSA program in Java, covering core data structures and algorithms with hands-on problem solving.
  - Gained hands-on experience by implementing real-world DSA problems in Java and writing clean, efficient code following best practices.

  Tech: Java, DSA, OOP, Problem Solving, Complexity Analysis

Certificates

- Cloud Computing NPTEL(Swayam)| Certificate — Oct' 25
- Training in Data Structure and algorithms – by Cipher Schools I Certificate — Jul' 25
- IELTS Pro: Reading | Writing | Listening | Speaking | Certificate — Nov' 24
- Software Engineering: Implementation and Testing | Certificate — Apr' 25

Extracurricular Activities

- **Social Work Volunteer- Child Rights & Education** — Jul' 25
  Volunteered at Pragati Ek Prayas, supporting community awareness programs on child rights and education through fieldwork and outreach activities.
- **Participated in CyberSec Symposium 2.0** — Apr' 24
  Attended North India's largest Cyber Security Conference organized by iGen Community in collaboration with LPU.

Education

- **Lovely Professional University** — *Punjab, India*
  Bachelor of Technology - Computer Science and Engineering; ***CGPA: 7.67*** — *Aug' 2023 - Present*
- **Hellens School** — Bihar, India
  Intermediate; ***Percentage: 68.80*** — *Apr' 2020 - Mar 2022*
- **St. Joseph's School** — Bihar, India
  Matriculation; ***Percentage: 77.40*** — *Apr' 2019 – Mar' 2020*
